

Amerhart Hardwood Plywood Offering

WHY CHOOSE AMERHART?

We are a leading, full line Columbia Forest Products distributor, offering the award winning, formaldehyde-free PureBond® hardwood plywood technology.

CARB PHASE 1 COMPLIANT PRODUCT

Remember– With PureBond® veneer core you're getting CARB Phase 2 compliant plywood today and with no special up charge! You won't have to manage dual inventories, and with no up charge for PureBond®, your cost estimating will be much easier, too.
