

TFL (Thermally Fused Laminate)

TFL (Thermally Fused Laminate) for commercial and residential applications. Available in woodgrain and solid color designs in a variety of sizes, thicknesses and core options. Amerhart stocks everything you need to design and manufacture extraordinary finished products.

Amerhart also stocks high quality Particleboard and MDF (Medium Density Fiberboard) in an assortment of sizes.

All are TSCA Title VI certified to meet EPA's Regulations.
